Filed:	December 31, 2003	Docket:	884.C39US1
Patent No.	7,612,370		
Title:	IMPROVED THERMAL INTERFACE		

---

STATEMENT OF FACTS UNDER 37 C.F.R. § 1.705(b)(2) IN SUPPORT OF  
APPLICATION FOR POST ISSUE PATENT TERM ADJUSTMENT

Mail Stop Issue Fee  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

The following is a statement of facts in support of the application for patent term adjustment.

Applicants have calculated the correct patent term adjustment as **1475 days**, which was calculated as follows:

*The date that is four months after the Issue Fee Payment was recorded/ verified on August 11, 2008 by USPTO is December 11, 2008. The Original Letters Patent was issued on November 3 2009. The difference between these two dates is 327 days credit to Applicants' patent term. The USPTO has failed to take into account these NON-OVERLAPPING Post-Issue A-DELAY of 327 days incurred as a result of late issuance of the Patent.*

The patent issuing on this application **IS NOT** subject to a terminal disclaimer.

As set forth above, Applicants' patent term adjustment should be **1475 days**, and Applicants respectfully request notification to that effect. The Commissioner is invited to contact Applicants' attorney at (612) 373-6969 with any questions concerning this submission.
